Hill Johnson is a Partner in the Business Valuation practice of Valuation, Fraud & Forensics, LLC (VFF). He is an Accredited Senior Appraiser (ASA) in the Business Valuation discipline with the American Society of Appraisers and has provided over 500 business valuations for closely held companies and their owners. Since 2006, Mr. Johnson has spent one hundred percent of his time providing business valuations appraisals and valuation consulting services. He has provided independent opinions of value for various types of purposes including shareholder litigation, estate and gift tax, buy/sell transactions, financial reporting purposes, the appraisal of intellectual property, assessing commercial damages, employee stock ownership plans, and marital dissolution. Mr. Johnson's industries include, but are not limited to construction, manufacturing, oil & gas, biotech, chemical, healthcare, medical equipment, software, retail, consulting, real estate, restaurant, HVAC and plumbing, family limited partnerships, and professional-service industries (including physician and dental practices). Mr. Johnson has also performed a number of due diligence assessments, completed offering memorandums, and worked closely with an international investment-banking firm.

Litigation cases where Mr. Johnson has served as an expert witness, either in person, or by written report, during the past four years include:
